

Town of Brentwood Council Update

November 19, 2024

Contact:
cm3@brentwoodmd.gov

Submitted November 15, 2024

**Maryland-National Capital
Park & Planning Commission
Planning Assistance to
Municipalities & Communities**

Flooding and Stormwater Hazard
and Risk Management Analysis
for both Brentwood and North
Brentwood

and

Brentwood Climate Action Plan
(CAP)

Goals

Identify all flooding/stormwater risks
Identify mitigation measures

Strategies to reduce/eliminate hazards
Sustainability and climate action goal establishment

Sustainability-themed Placemaking Event
Community engagement and outreach

Final Climate Action Plan
Final Risk Management Analysis

Update: Additional storm drain adequacy report is needed. MNCPPC will purchase the study for \$36,550 to collect additional information, perform adequacy analysis, proposals, and finalize the report.

Presentation of draft CAP	January 2025
Completion of Final CAP	March 2025

GRANTS

Sustainable Brentwood Climate Action Plan

Have you been affected by **flooding** and **extreme heat**? Are there opportunities to plant more **trees**? How can we reduce **energy use** and **pollution**?

The town is creating a plan to address these types of environmental challenges and make Brentwood an even better place to live!

Funding provided by the M-NCPPC Prince George's County Planning Department's Planning Assistance to Municipalities and Communities (PAMC) Program.

**Take the
questionnaire now!**

Share your ideas about how we can respond to climate change.

Brentwood sostenible Plan de Acción Climática

¿Se ha visto afectado por **inundaciones** y el **calor extremo**? ¿Hay oportunidades para plantar más **árboles**? ¿Cómo podemos reducir el **uso de energía** y la **contaminación**?

¡La ciudad está creando un plan para abordar este tipo de desafíos ambientales y hacer de Brentwood una comunidad aún mejor para vivir!

Los fondos son proporcionados por el Programa de Asistencia para la Planificación de Municipios y Comunidades (PAMC) del Departamento de Planificación del Condado de Prince George de M-NCPPC.

**¡Toma el
cuestionario ahora!**

Comparte sus ideas sobre cómo podemos responder al cambio climático.

*Las viviendas unifamiliares ya han recibido la encuesta.
Este aviso es para los habitantes de apartamentos.*

Brentwood Native Plant Network

Phase II of pocket park redesign to a community and wildlife habitat

15 volunteers including Thomas Stone Elementary PTO, Prince George's County Audubon Society, and neighbors from Hyattsville and Chillum joined BNPN and Brentwood Public Works Department to plant, cover in mulch, and water 390 native Maryland plants. Many thanks to the PW Department for filling the rain barrel during this drought and to volunteers for watering!

1. *Callicarpa americana* American beautyberry
2. *Cornus amomum* Silky dogwood
3. *Corylus americana* American hazelnut
