CM Burgess updates the Committee on last month's committee recommendations as they are being explored and implemented by the current Mayor and Council.

CAC discusses the following:

*What does Policing look like in Brentwood for now and the future?*

*Could Brentwood be well-served to have alternative response officers for mental health emergencies or a social worker/case worker or resource officer?*

*Could the police work hand-in-hand with the BFD to amplify the work of both?*

*Could the police do more hands-on work with the community? (examples include crossing guards, fingerprint kids, children's programming)*

*Do all the police cars need to have darkly tinted windows or could some be not tinted?*

CAC will invite Chief Ayers to our next meeting to discuss policing in Brentwood.

CAC is interested in helping to distribute food to residents during Thanksgiving.

Meeting adjourned at 8:09pm.
